A NOTE FROM OUR PRESIDENT

Thank you to all of the teachers and parents that came out to support Party with a Purpose at Wellington National! Our chairs for the event Kai Trento and Melissa Raineri did an amazing job with the event. Our events would not be possible without our generous sponsors who support us so that we can continue to fund projects for the students at Binks Forest Elementary. Please see the lists of our Party with a Purpose Sponsors below so that you can support these local businesses.

If you did not already view your pictures from the event make sure to view them by clicking the button below.

We are currently looking for sponsors for our Fall Carnival on November 12th from 11-4. There are various levels of sponsorship available starting at \$125.

Thank you for all your support!
